## CHAS. SWAFFORD IS BOUND OVER

### AT PRELIMINARY HEARING OF SWAFFORD BOYS.

**Charged With Murder of W. L. Tollett. — E. Swafford, Jr., Enters Habeas Corpus Proceedings—Sam Swafford Proves An Alibi.**

PIKEVILLE, Tenn., July 24.—The preliminary hearing of the Swafford boys, charged with the assassination of W. F. Tollett, near Lytton, this county, was held last week at Melvine in a school house, and, while attended by a large crowd of interested people, was not marred by any demonstration of violence.

The state was represented by J. C. Myers and L. S. Pope, while the defendant was represented by Attorneys Burkett, Mansfield and Swafford, of Chattanooga. The hearing occupied two days, during which the state examined twenty-two witnesses, but the defendants neither took the stand nor introduced witnesses. A shoe sole plays an important part in the state evidence as it is claimed that the left shoe worn by the assassin had a sole leading from about midway of the instep to within two inches of the toe, and a pair of tan shoes having corresponding peculiarity were shown by the state as having been found at the home of E. Swafford, Sr. The tan shoes, however, were shown not to belong to Swafford, and some witnesses claimed he was at a corn-shelling that morning and that he had on a pair of black shoes.

Chas. Swafford, the alleged assassin, was held to criminal court on \$3,000 bond which he made at once. Sam Swafford was discharged, having established an alibi. E. Swafford, Jr., was held under \$3,000 bond, which he refused to make, and entered habeas corpus proceedings which will be heard before Judge Allison at Dunlap Monday.

## WANTED 'EM.

**But City Authorities Said "Nay, Nay, Pauline."**

SOUTH PITTSBURG, Tenn., July 22.—Sheriff Harris locked horns with the town authorities Thursday. It seems that the city officers were holding the Bowman brothers for the cutting of Brice Teeters. The sheriff appeared upon the scene and demanded the prisoners on behalf of the state. The mayor proposed to give the prisoners to the sheriff provided they would be returned here for trial in the city case on the 25th. The sheriff refused the proposal, whereupon the mayor ordered the city marshal to lock the prisoners in the city jail, which was done. This seemed to add fuel to the fire and greatly enraged the sheriff, who said he would have the prisoners if he had to tear down the city jail to accomplish his purpose. This statement of the sheriff greatly excited the citizens, filling the streets with people who were greatly perturbed. The sheriff swore out warrants for the mayor and city marshal, but soon experienced a change of heart and withdrew the same with ample apologies to all concerned.—So. Pittsburg cor. ## Baseball Players and Foot Racers.

Louis J. Kruger, ex-champion long distance foot racer of Germany and Holland, writes Oct. 27th, 1901: "During my training of eight weeks' foot races at Salt Lake City, in April last, I used Ballard's Snow Liniment to my great satisfaction. Therefore, I highly recommend Snow Liniment to all who are troubled with sprains, bruises or rheumatism." 25c, 50c, \$1.00 a bottle. Sold by Sequachee Supply Store.

## CLIFTY, TENN.

Special to the News.

I have no momentous discussion to enter into, nor problems to solve for the "curious", but will merely state the news of our town as briefly as possible.

Several months ago I gathered a few items for the News, but, as we were then without the accommodation of a passenger train—practically in jail—my picture of Clifty was a rather dark one. But now since we have two passenger trains in and out daily, we can speak more favorably in behalf of our city. Nearly every train brings a party of pleasure-seekers from various cities who are eager to visit the picturesque spots adjacent to our town. Being so frequently visited by tourists assures us that we are not in a state of isolation, but occupy a conspicuous place upon the map, of which we are proud. Clifty is among the coming cities.

The mines are being run about four days a week now, but prospects are favorable for full time next month.

The Union Sunday school has purchased a \$50. Burdette organ, which was very much needed, and will add greatly to the music.

Miss Nona Duff left Friday for Whitwell and Daisy, Tenn., and Dalton, Ga., where she will visit friends and relatives for several weeks.

Miss Lily Gott, of Oak Grove, and Miss Lankster, of Jasper, are guests of Mr. and Mrs. Jackson.

Misses Hamaker and Carson, who have been inmates of the Hotel McGrath for quite a while, will leave Monday for their respective homes at Manchester and McMinnville. During their stay in Clifty they have made many warm friends, who regret very much to see them go from our midst.

Mrs. C. W. Bell will leave Monday to visit relatives in Whitwell.

A number of Clifty's young people visited Caney Fork Falls last Sunday, and had their photographs taken in various positions among the rocks and cataracts.

## SOUTH PITTSBURG STRIKE

**Moulders and Mounters at Wetter Stove Works Are Out.**

SOUTH PITTSBURG, Tenn., July 25.—There was a strike at the H. Wetter Manufacturing Company on some weeks ago. In the contract signed by J. J. Bowers there was a clause which read: "I, Mr. Wetter, will, upon my first visit to South Pittsburg, set the scale prices on the new additional work to the stoves."

The men, thinking of course that he would do this, took up their work again Saturday. Mr. Wetter came to the city but refused to meet the shop committee, stating that he did not have time, but told them to meet him at his office Monday morning. This the mounters did, but he refused the prices on the work. The contract was presented to Mr. Wetter at this point, but he ignored it. The men then called a special meeting for last night, and were joined by the moulders and both are now on strike.

## DIED AT WHITWELL.

WHITWELL, Tenn., July 27.—(Special.)—Will Melton, of the mountain above Whitwell, died suddenly Sunday night at the home of his brother, Chas. Melton. He was in the best of health previous to his death.

## NO STRIKE OF MINERS

Regarding the report in circulation that a general strike of the mineworkers was imminent, President Mitchell, at Scranton, Pa., said: "This rumor of a strike is so silly that I can find no possible excuse whatever for its circulation."

## HAS FINE PROSPECTS

Prof. Dossett, of Pryor Institute, was in the city Thursday, returning from Looney's Creek, where he had been working in the interest of his school. Prof. Dossett says that the prospects for a No. 1 attendance are excellent this year. Pryor Institute is a flourishing institution.
